One Days Guided Fishing in Tasmanian Highlands

We specialise in sight fishing for trout.

We design trips for every kind of angler. As we are a keen, experienced team, we promise you an experience that is relaxed, friendly, satisfying and memorable.

Our focus is running sight fishing trips into the iconic Western Lakes region in Tasmania's Central Highlands as well as nearby public fisheries include Bronte, Dee, Laughing Jack and Little Pine lagoons, the Brady's chain, lakes Echo, St Clair and King William. We are well located for hiking trips onto the Central Plateau. Equipment is provided. Each day includes lunch and afternoon tea. We can arrange your airport pickup, fishing licences and local add-ons such as wild life, scenic or speciality tours.
